

We all experience challenges in our lives when there is illness, death in the family, surgery, or bringing a new baby home. "Friends in Christ" would like to assist by providing a simple homemade meal. We encourage those who would like to help with this ministry to please call, text, or email us. Thank you for caring; you can make a difference in someone's life.

Initially, this ministry will begin by serving families in the Spicer-New London area. If there are volunteers willing to coordinate meals for families in other parts of the county, we would be happy to share ideas on how to get it started.
