JESUS OUR LIVING WATER  
VISION STATEMENT**

The Body of Christ of the Catholic Area Faith Community of Jesus Our Living Water is a community of believers united in prayer, fed by the sacraments and enriched by our Catholic faith traditions.

We live out our Catholic faith through Worship, Word (Faith Formation), Service and Stewardship. We live out our baptismal call as children of God through service and by making the diverse face of Christ known to all.

As a community of prayerful, gospel oriented servants, our lay, religious and ordained leaders will remain faithful to the vision and the traditions of the Church. All leaders will focus on the pastoral and sacramental well-being of the people and are committed to proclaiming the Good News of Jesus Christ to all.
