

# Day 1 at Rocky Railroad

**Jesus' power helps us to do hard things.**

## **Bible Story: Ananias helps Saul.** (Acts 9:1-19)

We met Ananias who was asked to do a hard thing. We encouraged Ananias that he can do anything with the help of Jesus.

## **KidVid Cinema**

After failing many times, Dominic relies on Jesus' power to take a tough karate test.

*"I can do all things through God who strengthens me."  
(Philippians 4:13)*

## **Saint of the Day: St. Thérèse of Lisieux**

Our Saint of the day, Saint Thérèse of Lisieux had many hard times in her life: her mother died when she was young, she had a terrible illness, and at times she struggled with her faith. Not to mention the daily struggles we all have. St. Thérèse's faith in Jesus reminds us that with God we can get through any difficult times.

## **Talk with your child:**

- ♦ What hard things could Jesus' power help you with today?

Ramsey is our Bible Buddy for the day. Big horned sheep know about doing hard things. They live in the rocky mountains and must climb on high ledges to stay safe from predators. God gives them all they need to stay safe: things like horns for protection and special hooves for climbing. Just like God gives us everything we need to do hard things too!

## **Pull-Back Cars**

As hard as you try to keep your life on track, sometimes life goes a different direction than you'd like. Even when life goes off track, Jesus' power helps us do hard things!

Don't forget to join us each day at 11:00 am for our Rocky Wrap Up! Hear the songs we learned, watch our new dances, and see pictures from our day!
