

Day 5 at Rocky Railway

**Jesus' power helps us be
good friends!**

Bible Story: The church is united.
(Acts 2:42-47; 4:32-35)

We searched for clues, had a party to celebrate friends, and acted out ways the first Christians showed friendship and unity.

Lawrence is our final Bible Buddy of the week. Lawrence is an elk who lives in the Rocky Mountains. Elks live in herds who keep each other safe and look out for one another. They even make a funny noise called bugling (like roaring and whistling at the same time) to warn each other about danger. We can be like Lawrence and look out for our friends. Jesus' power helps us to be good friends to others.

Thank you for all the donations to Nolan's Place! They are so appreciative to receive the summer fun activities for their outdoor play area!

Thank you for a great week at Rocky Railway VBS! The train will keep rolling at all weekend Masses as we will be sharing pictures and video from this week!

"Love one another as I have loved you." (John 15:12)

Saint of the Day

Our Saints of the day, Saints Benedict and Scholastica, were brother and sister and though they rarely saw each other, they stayed close throughout their lives. Benedict and Scholastica were united through prayer, conversations and their willingness to love and serve God. They can show us what it means to be good friends.

Talk with your child:

- ♦ What is the most important quality in a good friend?
- ♦ How can you reach out to someone who is lonely to be their friend?

Power Bands

1. Trains run on coal or wood, so you made your bracelet out of those beads.
2. But we run on Jesus' power!
3. Every time you wear your Power Band, remember that you can be a good friend by telling people about Jesus!

KidVid Cinema

Renee and Alina became friends when they helped in a cool ministry. They love growing in friendship with Jesus and each other!
