

Welcome to our 2023-2024 Faith Formation parent & youth sessions!

Most grades will have the opportunity for a Parent and Youth (PaY) session during the year. These are for your student to attend with their parent/ guardian. We will develop our faith in new, interesting, and interactive ways.

Deuteronomy 6:6-7 “Take to heart these words which I enjoin on you today. Drill them into your children. Speak of them at home and abroad, whether you are busy or at rest.”

Please understand these sessions are not for the child to participate alone and we will be asking for an adult to accompany the child during these nights. For returning parents of our faith community, you will note that some of our former PaY sessions are now meant for classroom activity nights (no parents required to attend). We strongly encourage attendance and participation.

Proverbs 22:6 “Train a boy in the way he should go; even when he is old, he will not swerve from it.”
