III. Reviewal of Minutes and Agenda

Committee Specific Agenda:

Small Christian Communities – “Taste and See” Retreat on Sunday, November 10, 2013 from 12-4:00pm at the Church of St. Mary.

Membership – Currently, the Church of St. Mary is in need of one member and the Church of St. Thomas More is in need of one member. It is the hope of the committee that people might indicate an interest in these positions on the Time and Talent. There was a question on terms of membership. That information will be updated and terms will be added to next month’s agenda.

Survey – Mary Nordstrom presented information on using the Google Docs Forms for doing a survey. There is no cost and no limit to responses. She will do some checking on the question members had about the current layout fitting the Google plan. Joe was absent and I will contact him tomorrow about his progress with Survey Monkey and let him know about the information Mary presented on the Google Docs Forms.
