

Chocolate Chip Cookie Prayer

Ingredients Needed:

½ tsp vanilla
1 cup flour
½ cup butter (softened)
¾ cup sugar
1 egg
½ tsp salt
6 oz chocolate chips

Preheat your oven to 350, then add the ingredients in the following order.

As you add each ingredient, take time to pray for the people the ingredient represents. End your prayer with an “Amen” and enjoy your cookies once they are baked. You can even share some with the people you prayed for!

In one bowl mix your dry ingredients, in another, your wet, then combine together at the end and add the chocolate chips.

½ teaspoon vanilla

Adds flavor. Write down the names of the people who add flavor to your life. Pray that their creativity and talents will be used for God’s glory and that you will appreciate them and all they do for you.

½ stick softened butter

Saturated fat—unhealthy. Pray for the people who tempt you to do things you know you shouldn’t. Ask God to help you overcome the temptations and be a shining example to all.

1 egg

Brings it all together. Pray for the people who fill you spiritually and make you a stronger Catholic Christian.

¾ cup sugar

Temporary or false satisfaction. Ask God to help you be a true Christian friend. Pray that He will surround you with true Christian friends.

1 cup flour

Thickens the mixture and slows the beating process. Pray for the people who you wish you could slow down and spend more time with. Ask God to help you make time for your loved ones.

½ teaspoon baking soda

Rising. Thank God for all the people who raise you up. Ask God to show you a way to thank these people and to show you a way to raise up your friends and family.

½ teaspoon salt

Seasoning and preserving. Think of the people who you have trouble dealing with. Pray that God will take the “bad taste” out of your mouth and make you more tolerant of others.

6 oz. semi-sweet chocolate chips

The bonus. The prize inside. Pray for the people who make your life super special. Thank God for placing them in your life.

Now mix it all together, roll into balls and bake at 350F until golden brown. Don’t forget to thank God for your many blessings!
