**Present:** Father Steve, Steve Maher, Dave Henle, and Mary Nordstrom. **Absent:** Luann Sieben, Ron Dobbs, and Sheri Lapatka

There was no quorum so no official meeting was held. We had good discussions however.

- ) Father Steve updated Steve and Dave about last week's consultation meetings.
- We currently have 7 weekend Masses. The goal is to get down to 6 and ultimately 5.
  - The APC wants to move forward with another consultation meeting for the parishioners of St. Patrick and St. Thomas More. We will invite Bishop LeVoir and Tom Keaveny. They will be able to explain to the parishioners the difference between closing and merging, and answer parishioners' questions.
  - We discussed using the Westby memorial for the projection system. Carol has the contact information for the family. We will also use up the DMA money for it.
