

**Catholic Area Faith Community of Jesus Our Living Water
Parent and Youth: Reconciliation curriculum**

Lesson: Learn about the Sacrament of Reconciliation

Each station (1-8) will focus on a different aspect within our faith. In addition to understanding the name of the station, read aloud the description with your child, and try the activity at the station.

Objectives

- Identify the name of the station. Read the description.
- Identify how the station's topic applies to our everyday lives. Where can the forgiveness of God be seen?
- Understand how the station corresponds with our wonderful personal journey to experience God's forgiveness.

Time 5-10 minutes: Each station should take approximately only 5-10 minutes. Please be respectful of the allotted time in order for all to complete each station. Stations may be completed out of order, with the exception of #8.
